By completing this agreement, client (as listed below) authorizes NRR to retain/release emergency response contractors, make regulatory notifications, act on behalf of client during cleanup, and sign waste disposal profiles/manifests on behalf of client.

Upon receipt of this executed agreement, NRR initiate the cleanup and the incident manager assigned to your project will keep you updated on the progress of the cleanup. Invoicing will be on a time-and-materials basis, per the NRR current fee schedule (see below).

- Incident Manager/ Technical Specialist.....\$85.00/hour
